## **The BCCA Dave Stevens Technology Award**

The BCCA Dave Stevens Technology Award is awarded annually in memory of Dave Stevens. Dave served as Executive Director of Evans Lake Forest Education Society and, for many years, as Executive Director of Sasamat Outdoor Centre. A significant contributor to the camping movement in BC, Dave was also a long-time member of the BCCA Executive.

In his work, Dave consistently demonstrated empathy, enthusiasm, idealism, a thirst for knowledge, and a keenness to apply theory to practice. This award remembers Dave for his love of, and proficiency in, the use of computer technology as a tool for camp administration – especially if the computer was a Mac.

Funding for this award comes from proceeds of the BCCA's Dave Steven's Memorial Fund.

### **Definition of Technology for the purposes of this award**

Improving and advancing a camp's reach through any computer application, software, hardware, or program. This may include the study, design, development, application, implementation, support, training, or management of computer applications, software, or hardware.

### **Eligibility**

1. Nominees must be accredited member camps of the BCCA (may be self-nominated)
2. Nominators must be an accredited member of the BCCA

### **Award Criteria**

The technology or training must enhance the ability of the recipient to improve program or service delivery through development of new or existing resources.

### **Application Process**

Application forms can be submitted at any time but must be received no later than December 1, 2016.

**Send applications in pdf format to:** [info@bccamping.org](mailto:info@bccamping.org) with the subject line "Dave Stevens Memorial Award Committee."

The BCCA Executive will announce the award recipient at the annual BCCA conference in February of 2017.

### **Selection Committee**

The selection committee will consist of a minimum of three members of the BCCA Executive.

### **Selection of Award Recipient**

The selection committee will consider:

- Whether the application meets the parameters for the award
- The benefit of the technology or training to the recipient camp
- The originality of the technology or training
