

2017 Trade Show Registration

The only province-wide conference in BC for camps professionals is taking place from January 30th to February 2nd, 2017 at [Stillwood Camp and Conference Centre](#) near Abbotsford. Staff from over 50 camps and outdoor centres will be in attendance. **The Trade Show takes place on Wednesday, February 1st** – it is an excellent POS and networking opportunity for your business with potential customers while displaying your products and/or services at the Camps Trade Show. [The BC Camps Association](#) (BCCA) Conference takes place immediately prior to the [Fellowship of Christian Camps](#) (FCC) Conference; camp professionals from both conferences will be attending the Camps Trade Show.

The Camps Trade Show will be held from 12:00pm to 2:00pm on Wednesday, February 1st 2017. Those spots with access to power will be allocated on a first come, first serve basis. You may set up your display as early as 9:00am on February 1st and take down can be any time after 2:00pm.

The cost of a Trade Show table only is \$150.00. This includes an approximate 8' by 8' space to display your products, lunch, and a list of camps that attended the conference. *Please note that due to current privacy legislation in Canada, we are only able to provide a list of camps in attendance. If you wish to email individuals about your products and services, please obtain their contact information in person.*

To become a 2017 Corporate Partner of the BC Camps Association, the cost is just \$300, which includes your Trade Show table. Corporate Partners are featured on [the new BCCA website](#) and are promoted through our social media campaign and monthly eNews!

You will receive an information package including directions to the Camps Trade Show once we have received your payment and your completed application form. Please note that we have had a large increase in requests for the trade show, and have sold out in previous years.

The BCCA and the FCC are not responsible for any injury, loss or damage to persons or property. It is the responsibility of the displayer to provide his/her own insurance needs.
