

In a fun-filled, safe, and wholesome Christian Camping environment, we will introduce children, teens, and adults to Jesus Christ, and we will encourage Christian growth through Bible teaching, prayer, and service.

Job Posting - Executive Director

At Camp Imadene, we exist to introduce people to Jesus Christ. Since 1926, our thriving camping program has seen thousands of individuals and families impacted for the Gospel. Over the last decade, Imadene has seen amazing growth: adding a wilderness-based camping program on a new property, starting an 8-month discipleship school, strengthening our guest group programs, and increasing from 1200 to 2250 annual campers. In 2018, we neared full capacity for all of our camps and had wait-lists for most. Our 200-acre property surrounds Mesachie Lake on Vancouver Island, providing all the tranquility a person could want, while still only being 90 minutes from Victoria, BC.

Camp Imadene is currently inviting applications for the position of Executive Director. The ED is responsible for all aspects of Imadene's ministry, including supervising a committed team of up to 10 permanent staff members and managing the beautiful facility. The ED is responsible for the administration of all programs, including facilitating the finances of the organization. The successful applicant will be able to lead and inspire a team that supports 1000 volunteers a year. This leader will model Biblical servant leadership as they delegate to, encourage, and challenge those they work alongside.

The ED reports to the Imadene Society Board, who provide governance and vision for the organization, and supervision for the position.

This position is a **permanent full-time** position. Camp Imadene offers a competitive salary and benefits package, along with a rewarding work environment.

You can learn more about Camp Imadene at www.imadene.com

Location: Mesachie Lake, BC (applicant to live in the Cowichan Valley)

Expected Start Date: February 2019
